Lorena and Andy-

I appreciate the work that went into this report.

I do want to make my concerns heard, which is the fact that while we are in the PBID district - there is no mention anywhere in this report on the area by the IOWA nor programming. We continue to offer programming for the community on our dime - with no issue - but would like to see more involvement by the district we are represented by. We participated in the $5 off card by handing out the vast majority of them to visitors and have provided no cost rent to the kiosk pierside since we opened.

My desire would be a closer collaboration that embodies the entire district.
